We Have Client Testimonials!

- ✓ Dear Bob... Just a quick note to say "thank you," to you and the Smart Scapes Crew for the wonderful job you did in our backyard. Your design is coming to life in our backyard and we can't believe our eyes. Thank you, also, for meeting our deadline - our party will certainly be a hit! We are very fortunate to have connected with your company and we look forward to our next project! Please stop by when in the neighborhood. Sincerely, George and Laura Heineman.
- ✓ Dear Smart Scapes Staff... Just wanted to thank you for the outstanding work that you did at our home. The yard looks wonderful thanks to your expert care (and the grass is really beginning to grow in those bare patches!) It was a pleasure dealing with all of your well trained staff. Even all of the people who spoke with us by phone made the whole process a pleasure. Thanks for your patience, understanding good humor, and expert care. We will certainly recommend your services to others... Keep up the good work. -The Borowski Family.
- ✓ Dear Smart Scapes Staff... We want to say how very pleased we are with all the work done to our lawn, and if you ever need to use us as a reference, we would be thrilled to give you the highest of praise! - ✓ To Whom It May Concern: I just got home from working my 2nd. Job and took the dog outside to find a fantastic job! I love it! Thanks for doing such a wonderful fall clean-up to my yard. Please schedule another fall clean-up for after the Thanksgiving holiday. -George Markusic.
- ✓ Hi! Thank you so much for taking care of our driveway. It was very thoughtful of you. John could have never moved all that snow and I'm not very much help to him anymore. Sincerely, John & Mary Lou.
- ✓ You guys are the best! You now own this corner. We have had many of our customers as well as neighbors tell us how great the place looks with the new landscaping that you have installed. Please put us on your schedule to continually maintain our property. -Columbia Cook Sunoco
- ✓ Our property has never looked better. Your staff is performing an excellent job. Our residents are much happier now that our location looks so much nicer. -Riverview Point Care Center
- ✓ We used your staff when you owned the other company and the service was always good, however, our location looks even better today with your new company and the experienced staff that came with you. Our place looks better than ever. - Dupli Systems
- ✓ If I had to grade you on a scale of 1 to 10, I would give you an 11. Your staff is always so friendly and well mannered. Our location is very well taken care of and you have no worries with the quality and care of your service. Lynn, Kotecki Memorials
